

Anchor point bracket

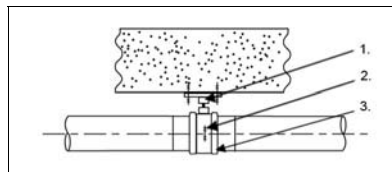

8.1 Anchor point bracket

This method of bracketing is used for rigid installations. The expansion forces are transferred to the building structure. Within the Akatherm product range there are two options:

1. Akafusion coupler
Art. Nr. 41xx95
2. Anchor bracket
Art. Nr. 70xxxx
3. Mounting plate for anchor
bracket Art. Nr. 7094xx

1. Mounting plate for
anchor bracket
Art. Nr. 7094xx
2. Anchor bracket
Art. Nr. 70xxxx
3. Double-flange bushing
Art. Nr. 43xx05

Illustration 8.2 Anchor bracket with double-flange bushing Art. Nr. 43xx05

The anchor bracket must be fixed to the building in such a way that it can resist the forces caused by the expansion or contraction of the pipe.
